

**Progress Photos for New PUWYPS Campus at Pak Fuk Road as at 7 June 2018**

Construction of access road, ground floor slab, paving, staircase, planters, fencing, and ball court still in progress. Finishing to spectator stand and LV/HV transformer room is pending. External wall was applied with white-colour base coat. The final texture coating will commence upon the completion of works which affect the external wall.

**Installation of air-conditioners in progress.**  
**Installation of false ceiling support grids in progress.**

**Construction works substantially completed. Installation of metal louvers and canopy on 7/F, railings to AC platforms and interior works in progress. Chiller for assembly hall not yet installed.**
